EDISON ELECTRIC INSTITUTE

INDEX TO 1953 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 21

Issue	*Pages*	*Issue*	*Pages*
January	1-32	July	217-296
February	33-64	August	297-328
March	65-96	September	329-360
April	97-128	October	361-400
May	129-168	November	401-440
June	169-216	December	441-472

General Index

A

Accident Frequency Reduction Award Approved by EEI Board of Directors, 92

Accident Prevention
- Accident Frequency Reduction Award Approved by EEI Board of Directors, 92
- Baltimore Co. Wins 6,000,000 Man-Hour Safety Award, 298
- Company Narrowly Misses Safety Merit Award for Second Time, Determines to Try Anew, 150
- 11 Safety Merit Awards Made in Two Months, 211
- Fatal Accidents in the Electric Light and Power Industry—S. H. Young, 147, 429
- Lives . . Dollars . . Friends!—W. W. Lynch, 260
- Safety Is Our Business—Ernest L. Godshalk, 69
- Safety Merit Award Rules and Regulations Clarified, 61
- Safety Merit Awards, 100
- Ten Additional Companies Earn Safety Merit Awards, 28
- Ten More Safety Merit Awards Presented to Companies for Accident-Free Operation, 430

Accident Prevention Committee
- Chicago Meeting, 212
- Kansas City Meeting, 89
- Minneapolis Meeting, 434

Accounting
- Accounting Trends in Utility Regulation—Spencer B. Eddy, 180
- Comprehensive EEI-AGA Conference Program Attracts More Than 1000 Utility Accountants, 171
- Credit Picture, 108, 366
- Depreciation Policy of the Internal Revenue Service—R. C. Staebner, 427
- Developing Criteria for Effective Internal Auditing—L. P. Hourihan, 183
- EEI-AGA Accounting Conference to be Held in Chicago Next April, 44
- EEI-AGA Electronics Seminar Studies Use of High-Speed Computing Equipment by Utilities, 436
- Engineer and Accountant Work Together on Solving a Technical Problem—E. Devere Cowles, 345
- New Look at Utility Regulation—Eugene S. Loughlin, 229
- Public Utilities—Fair Rates for Customers and Investors—Robert P. Briggs, 463
- Stimulating and Varied Program Planned for EEI-AGA Accounting Conference, 79

Accounting Directory, 150

Accounting Trends in Utility Regulation—Spencer B. Eddy, 180

Advertising
- Centennial Promotion Scores Points for Pacific Gas and Electric, 93
- How It's Being Done—Ashton B. Collins, 250

Air Conditioning
- Effect of Air Conditioning on Load of Oklahoma Gas & Electric Co.—Bryce Brady, 315
- Future of Room Air-Conditioning Sales—A Vast Business—John M. Otter, 163
- Power Factor Correction of Fractional Horsepower Motors—H. I. Miller, 317
- Problem of Low Power Factor Air Conditioning—R. F. Scott, 313
- Problems of Power Supply for Three-Phase Packaged Air-Conditioner Units—B. M. Gallaher, 11
- Report of the Joint Committee on Air Conditioning and Refrigerating Equipment—J. W. Anderson, 121

American Way
- Progress Through Personal Initiative—Grover C. Neff, 39

Annual Conference of Utility Fleet Operators, 92

Annual EEI Convention to Consider Many Challenging Phases of Industry Operation, 99

Annual Prize Awards Offered for Achievement, 399

Annual PUAA Convention Meets in St. Louis, 170

Appliances—Electrical
- Effect of Air Conditioning on Load of Oklahoma Gas & Electric Co.—Bryce Brady, 315
- Future of Room Air-Conditioning Sales—A Vast Business—John M. Otter, 163
- Power Factor Correction of Fractional Horsepower Motors—H. I. Miller, 317
- Problem of Low Power Factor Air Conditioning—R. F. Scott, 313
- Problems of Power Supply for Three-Phase Packaged Air-Conditioner Units—B. M. Gallaher, 11
- Report of the Joint Committee on Air Conditioning and Refrigerating Equipment—J. W. Anderson, 121

Are Tax Dollars to Develop Hells Canyou?—Robert F. Ball, 71

Area Development
- Helping to Build a Finer Carolina—Louis V. Sutton, 263
- Progress in Farm Electrification Through Research—Walter H. Sammis, 443
- Reservoirs for Recreation—Thomas J. Rouner, 18
- Second Area Development Institute Scheduled at University of Michigan—J. Frank Gaskill, 119

Area Development Committee
- Area Development Institute at the University of Michigan—J. Frank Gaskill, 311

Area Development Institute at the University of Michigan—J. Frank Gaskill, 311

Atlantic City to Welcome Twenty-First EEI Convention, 75

Atomic Energy
- Atomic Power in Ohio—Philip Sporn, 459
- Broad Aspects of Use of Atomic Energy for Generation of Electric Power—Dr. John R. Dunning, 282
- Businessmen, Scientists, and Educators Organize Atomic Industrial Forum, 146
- Development of Atomic Energy as a Source of Electric Power—Walker L. Cisler, 287
- Economic Impact of Atomic Energy on the Electric Power Industry—E. H. Dixon, 455
- Electric Energy, Inc., Wins Charles A. Coffin Award, 234
- Future of Atomic Energy in Industry—Walker L. Cisler, 41
- Industrial Development of Atomic Energy—Gordon Dean, 277
- Nuclear Power and State Power—Thomas E. Murray, 105
- Proposed Amendment to the Atomic Energy Act of 1946, 448
- Report of the Edison Electric Institute Committee on Atomic Power—Edgar H. Dixon, 292
- Text of Mr. Sammis' Letter to AEC, 293
- We Should Change the Atomic Energy Act—Walker L. Cisler, 452

Audit Manual Sections Available, 428

Awards
- Accident Frequency Reduction Award Approved by EEI Board of Directors, 92
- Annual Prize Awards Offered for Achievement, 399
- Baltimore Co. Wins 6,000,000 Man-Hour Safety Award, 298
- Coffin Award Entry Invitations Extended, 140

Company Narrowly Misses Safety Merit Award for Second Time, Determines to Try Anew, 150
EEI Medals Cite Resuscitation Training and Valor of Electric Company Personnel, 55
EEI Resuscitation Awards Emphasize Importance of Intensive Safety Training, 19
Electric Energy, Inc., Wins Charles A. Coffin Award, 234
11 Safety Merit Awards Made in Two Months, 211
Film Festival Awards "Oscar" to Institute Motion Picture, 305
19th Annual Sales Conference Emphasizes Need for Aggressive Selling Program, 141
Safety Merit Award Rules and Regulations Clarified, 61
Safety Merit Awards, 100
Successful Applications of Resuscitation Recognized by EEI Awards, 349
Ten Additional Companies Earn Safety Merit Awards, 28
Ten More Safety Merit Awards Presented to Companies for Accident-Free Operation, 430

B

Baltimore Co. Wins 6,000,000 Man-Hour Safety Award, 298
Book Reviews
Columbia Utility Workshop Record Published, 77
Some Shocking Episodes in TVA History, 354
Broad Aspects of Use of Atomic Energy for Generation of Electric Power—Dr. John R. Dunning, 282
Building Profitable Load—J. R. Hartman, 252
Business Management
Leadership and the Electric Industry—Dr. Horace Hildreth, 247
Outline of the Skills of Management—Ralph M. Besse, 331
Utility Executive Objectives and Duties—W. E. Wood, 337
What the Security Analyst Wants to Know About Your Company—Marvin Chandler, 240
Businessmen, Scientists, and Educators Organize Atomic Industrial Forum, 146

C

Centennial Promotion Scores Points for Pacific Gas and Electric, 93
Central Hudson's Reddy Rhyme Collects Bills Not Paid on Time, 88
Coal
Economics and Developments to Expect in Transporting Energy—C. N. Phillips, 271
Coffin Award
Coffin Award Entry Invitations Extended, 140
Electric Energy, Inc., Wins Charles A. Coffin Award, 234
Coffin Award Entry Invitations Extended, 140
Collection Practices
Central Hudson's Reddy Rhyme Collects Bills Not Paid on Time, 88
Credit Picture, 108, 366
Columbia Utility Workshop Record Published, 77
Commercial Activities
Coordinated Range Promotion Planned for April and May, 60
EEI Commercial News Briefs, 59
EEI Sales Conference Will Survey Sales Activities, Preview Selling Trends, 81
Five New Promotional Campaigns Developed on Theme, "Be Modern . . . Live Electrically," 426
19th Annual Sales Conference Emphasizes Need for Aggressive Selling Program, 141
Committee Work—Foundation of EEI Activity and Electric Industry Advancement, 367
Company Narrowly Misses Safety Merit Award for Second Time, Determines to Try Anew, 150
Competitive Industry and Government Regulation—Hon. Sinclair Weeks, 299
Comprehensive EEI-AGA Conference Program Attracts More Than 1000 Utility Accountants, 171
Conventions and Meetings
Accident Prevention Committee Meetings, 89, 212, 434
Annual Conference of Utility Fleet Operators, 92
Annual EEI Convention to Consider Many Challenging Phases of Industry Operation, 99
Annual PUAA Convention Meets in St. Louis, 170
Area Development Institute at the University of Michigan —J. Frank Gaskill, 311
Comprehensive EEI-AGA Conference Program Attracts More Than 1000 Utility Accountants, 171
EEI-AGA Accounting Conference to be Held in Chicago Next April, 44
EEI-AGA Electronics Seminar Studies Use of High-Speed Computing Equipment by Utilities, 436
EEI Commercial News Briefs, 59
EEI Sales Conference Will Survey Sales Activities, Preview Selling Trends, 81
Electrical Equipment Committee Meetings, 25, 123, 320, 469
Hydraulic Power Committee Meeting, 322
Industrial Relations Conference Program—Fred R. Rauch, 347
Industry Responsibilities and Opportunities Theme for Annual EEI Convention, 219
Meter and Service Committee Meetings, 319, 470
PEA Holds Annual Meeting, Elects Officers, 425
Personal Invitation to Attend the National Electric Heating Conference in Cincinnati, 468
Prime Movers Committee Meetings, 26, 90, 321
PUAA Meetings, 454
Purchasing and Stores Committee Meeting, 214
Representatives of Southeastern Companies Attend Georgia Power Home Service Meeting, 32
Second Area Development Institute Scheduled at University of Michigan—J. Frank Gaskill, 119
Stimulating and Varied Program Planned for EEI-AGA Accounting Conference, 79
Transmission and Distribution Committee Meetings, 122, 213, 435
21st Annual EEI Convention Program to Present View of Attainments, Appraisal of Future, 131
Convention Panel Talks Available from Institute, 296
Coordinated Range Promotion Planned for April and May, 60
Credit Picture, 108, 366
Customer Relations
Central Hudson's Reddy Rhyme Collects Bills Not Paid on Time, 88
Public Relations Is What You Do, 53
Public Relations' Priceless Ingredients—Deeds, Character, Neighborliness—B. L. England, 177
Public Utilities—Fair Rates for Customers and Investors—Robert P. Briggs, 463

D

Depreciation Policy of the Internal Revenue Service—R. C. Staebner, 427
Developing Criteria for Effective Internal Auditing—L. P. Hourihan, 183
Development of Atomic Energy as a Source of Electric Power —Walker L. Cisler, 287
Depreciation
Depreciation Policy of the Internal Revenue Service—R. C. Staebner, 427

E

Economic Impact of Atomic Energy on the Electric Power Industry—E. H. Dixon, 455
Economic Outlook—Martin R. Gainsbrugh, 161
Economics and Developments to Expect in Transporting Energy—C. N. Phillips, 271
EEI-AGA Accounting Conference To Be Held in Chicago Next April, 44
EEI-AGA Electronics Seminar Studies Use of High-Speed Computing Equipment by Utilities, 436
EEI Commercial News Briefs, 59
EEI Committees
Accident Prevention Committee Meetings, 89, 212, 434
Area Development Institute at the University of Michigan —J. Frank Gaskill, 311
Committee Work—Foundation of EEI Activity and Electric Industry Advancement, 367
Comprehensive EEI-AGA Conference Program Attracts More Than 1000 Utility Accountants, 171
EEI Sales Conference Will Survey Sales Activities, Preview Selling Trends, 81
Electrical Equipment Committee Meetings, 25, 123, 320, 469
Hydraulic Power Committee Meeting, 322
Industrial Relations Conference Program—Fred R. Rauch, 347

Meter and Service Committee Meetings, 319, 470
19th Annual Sales Conference Emphasizes Need for Aggressive Selling Program, 141
Prime Movers Committee Meetings, 26, 90, 321
Purchasing and Stores Committee Announces Specific Projects for Coming Months, 48
Purchasing and Stores Committee Meeting, 214
Skills of EEI Accounting and Commercial Committees Marshaled to Advance Industry, 407
Stimulating and Varied Program Planned for EEI-AGA Accounting Conference, 79
Transmission and Distribution Committee Meetings, 122, 213, 435

EEI Convention
Annual EEI Convention to Consider Many Challenging Phases of Industry Operation, 99
Atlantic City to Welcome Twenty-First EEI Convention, 75
Fred Waring and Pennsylvanians to Appear Through Courtesy of General Electric, 139
Industry Responsibilities and Opportunities Theme for Annual EEI Convention, 219
President's Address—B. L. England, 225
21st Annual EEI Convention Program to Present View of Attainments, Appraisal of Future, 131

EEI Medals Cite Resuscitation Training and Valor of Electric Company Personnel, 55
EEI Publications, 27, 61, 192, 239, 430, 451, 458
EEI Publications and Service Material, 29, 125, 165, 324
EEI Resuscitation Awards Emphasize Importance of Intensive Safety Training, 19
EEI Sales Conference Will Survey Sales Activities, Preview Selling Trends, 81
Effect of Air Conditioning on Load of Oklahoma Gas & Electric Co.—Bryce Brady, 315
Electric Energy, Inc., Wins Charles A. Coffin Award, 234

Electric Industry
Economic Impact of Atomic Energy on the Electric Power Industry—E. H. Dixon, 455
Electric Industry in 1952—B. L. England, 3
Electric Industry in Perspective—B. L. England, 101
Leadership—Its Place in Planning for the Future—Grover C. Neff, 244
Leadership and the Electric Industry—Dr. Horace Hildreth, 247
Lives . . . Dollars . . . Friends!—W. W. Lynch, 260
President's Address—B. L. England, 225
Progress in Farm Electrification Through Research—Walter H. Sammis, 443
Sales Planning for More Abundant Electrical Living—B. L. England, 35
Salesmanship Can Improve Public Relations—Charles E. Oakes, 255
Setting Our Sights—Walter H. Sammis, 363
Today and Tomorrow in Our Industry—B. L. England, 151
Utility Industry in Cartoons—A. Bryan Marvin, 45
Wanted: Fair Play—Walter H. Sammis, 403

Electric Industry in 1952—B. L. England, 3
Electric Industry in Perspective—B. L. England, 101

Electric Power Supply
Problems of Power Supply for Three-Phase Packaged Air-Conditioner Units—B. M. Gallaher, 11

Electric Power Survey
Japan Adopts EEI Power Survey Method as Aid in Solving Electricity Crisis—F. Douglas Campbell, 10

Electrical Equipment
Power Utility Mobile Radio Service—W. C. Phillips, 112
Utility Viewpoint on Uniform Inspection—M. E. Skinner, 423

Electrical Equipment Committee
New Orleans Meeting, 469
New York Meeting, 25
Raleigh Meeting, 320
St. Louis Meeting, 123

11 Safety Merit Awards Made in Two Months, 211

Employee Information Programs
Evaluation of Vepco's Employee Information Program—W. E. Wood, 67

Employee Relations
Importance of Good Employee Relations—H. P. Taylor, 343
Labor's Interest in Free Enterprise—D. W. Tracy, 235
People Are Our Business—Allen King, 341
PP&L Develops Unique Method of Feeding Emergency Crews in Isolated Areas, 80
Problem Drinking and Industry: Five Years With a Company Program—S. Charles Franco, 109

Employee Training
Evaluation of Vepco's Employee Information Program—W. E. Wood, 67
Principles of Fleet Management—T. L. Preble, 199
Training Tax Assistants—William H. Harrison, Jr., 196
Utility Executive Objectives and Duties—W. E. Wood, 337

Engineer and Accountant Work Together on Solving a Technical Problem—E. Devere Cowles, 345
Engineering for Economy—F. L. Lawton, 49

Engineers
Engineer and Accountant Work Together on Solving a Technical Problem—E. Devere Cowles, 345
Engineering for Economy—F. L. Lawton, 49
Industry's Responsibility in the Shortage of Engineers—Horace P. Liversidge, 302

Evaluation of Vepco's Employee Information Program—W. E. Wood, 67

Executive Development
Evaluation of Vepco's Employee Information Program—W. E. Wood, 67
Industry's Responsibility in the Shortage of Engineers—Horace P. Liversidge, 302
Leadership—Its Place in Planning for the Future—Grover C. Neff, 244
Leadership and the Electric Industry—Dr. Horace Hildreth, 247
Outline of the Skills of Management—Ralph M. Besse, 331
Principles of Fleet Management—T. L. Preble, 199
Training Tax Assistants—William H. Harrison, Jr., 196
Utility Executive Objectives and Duties—W. E. Wood, 337

F

Farm Electrification
Progress in Farm Electrification Through Research—Walter H. Sammis, 443
Rural Market Opportunities Unlimited—E. O. George, 155

Fatal Accidents in the Electric Light & Power Industry—S. H. Young, 147, 429
Film Festival Awards "Oscar" to Institute Motion Picture, 305

Financing
Your Financial Community—Edward T. McCormick, 237
What the Security Analyst Wants to Know About Your Company—Marvin Chandler, 240

Five New Promotional Campaigns Developed on Theme, "Be Modern . . . Live Electrically," 426

Free Enterprise
Competitive Industry and Government Regulation—Hon. Sinclair Weeks, 299
Labor's Interest in Free Enterprise—D. W. Tracy, 235
New Look at Utility Regulation—Eugene S. Loughlin, 229
President's Address—B. L. England, 225
Progress Through Personal Initiative—Grover C. Neff, 39
Wanted: Fair Play—Walter H. Sammis, 403

Fred Waring and Pennsylvanians to Appear Through Courtesy of General Electric, 139
Future of Atomic Energy in Industry—Walker L. Cisler, 41
Future of Room Air-Conditioning Sales—A Vast Business—John M. Otter, 163

G

Generating Capacity
Economics and Developments to Expect in Transporting Energy—C. N. Phillips, 271
Electric Industry in 1952—B. L. England, 3
Japan Adopts EEI Power Survey Method as Aid in Solving Electricity Crisis—F. Douglas Campbell, 10
Reporting Generating Capacities to the Investor—Hendrik A. Diamant, 116

Government Ownership
Are Tax Dollars to Develop Hells Canyon?—Robert F. Ball, 71
Development of Atomic Energy as a Source of Electric Power—Walker L. Cisler, 287
Future of Atomic Energy in Industry—Walker L. Cisler, 41
Industrial Development of Atomic Energy—Gordon Dean, 277

Nuclear Power and State Power—Thomas E. Murray, 105
Proposed Amendment to Atomic Energy Act of 1946, 448
Remarks of Walter H. Sammis in Accepting Presidency of EEI, 224
Report of the EEI Committee on Atomic Power—Edgar H. Dixon, 292
Setting Our Sights—Walter H. Sammis, 363
Socialist Super-Power Program—C. B. Boulet, 5
Some Shocking Episodes in TVA History, 354
Wanted: Fair Play—Walter H. Sammis, 403
We Should Change the Atomic Energy Act—Walker L. Cisler, 452
Government Regulation
Accounting Trends in Utility Regulation—Spencer B. Eddy, 180
Competitive Industry and Government Regulation—Hon. Sinclair Weeks, 299
New Look at Utility Regulation—Eugene S. Loughlin, 229
President's Address—B. L. England, 225
Progress Through Personal Initiative—Grover C. Neff, 39
Socialist Super-Power Program—C. B. Boulet, 5
Wanted: Fair Play—Walter H. Sammis, 403

H

Heat Pump
Research Results Concerning Earth as a Heat Source or Sink, 355
Survey of Heat Pump Installations, 210
Helping to Build a Finer Carolina—Louis V. Sutton, 263
Home Service
Representatives of Southeastern Companies Attend Georgia Power Home Service Meeting, 32
How It's Being Done—Ashton B. Collins, 250
Hydraulic Power Committee
Portland Meeting, 322

I

Importance of Good Employee Relations—H. P. Taylor, 343
Increased Interest in Weather Modification—T. J. Henderson, 433
Industrial Development of Atomic Energy—Gordon Dean, 277
Industrial Power
Reaching the Industrial Market—James H. Jewell, 158
Industrial Relations
Importance of Good Employee Relations—H. P. Taylor, 343
Industrial Relations Conference Program — Fred R. Rauch, 347
People Are Our Business—Allen King, 341
Industrial Relations Conference Program—Fred R. Rauch, 347
Industry Responsibilities and Opportunities Theme for Annual EEI Convention, 219
Industry's Responsibility in the Shortage of Engineers—Horace P. Liversidge, 302
Inflation
Accounting Trends in Utility Regulation—Spencer B. Eddy, 180
Electric Industry in 1952—B. L. England, 3
Internal Auditing
Developing Criteria for Effective Internal Auditing—L. P. Hourihan, 183
Investor Relations
Public Utilities—Fair Rates for Customers and Investors —Robert P. Briggs, 463
Reporting Generating Capacities to the Investor—Hendrik A. Diamant, 116
What the Security Analyst Wants to Know About Your Company—Marvin Chandler, 240
Your Financial Community—Edward T. McCormick, 237
Iowa Plan—N. Bernard Gussett, 267

J

Japan Adopts EEI Power Survey Method as Aid in Solving Electricity Crisis—F. Douglas Campbell, 10
Jubilee Plans Gain Momentum as Industry Prepares to Commemorate Electrical Progress, 379

L

Labor's Interest in Free Enterprise—D. W. Tracy, 235
Leadership—Its Place in Planning for the Future—Grover C. Neff, 244
Leadership and the Electric Industry—Dr. Horace Hildreth, 247
Life Insurance Company Investments in Public Utilities: $13 Billion, 380
Light's Diamond Jubilee
Jubilee Plans Gain Momentum as Industry Prepares to Commemorate Electrical Progress, 379
Preliminary Work on Light's Diamond Jubilee Initiated Following Approval of EEI Board, 100
Today and Tomorrow in Our Industry—B. L. England, 151
Wilson (Charles E.) Named Jubilee Committee Head, 426
Lives . . . Dollars . . . Friends!—W. W. Lynch, 260
Load Building
Building Profitable Load—J. R. Hartman, 252
Reaching the Industrial Market—James H. Jewell, 158
Sales Planning for More Abundant Electrical Living—B. L. England, 35
Load Growth
Planning for Expanding Power Requirements in Upstate New York—H. L. Harrington, 203
Load, Seasonal
Effect of Air Conditioning on Load of Oklahoma Gas & Electric Co.—Bryce Brady, 315
Future of Room Air-Conditioning Sales—A Vast Business —John M. Otter, 163
Problem of Low Power Factor Air Conditioning—R. F. Scott, 313
Problems of Power Supply for Three-Phase Packaged Air-Conditioner Units—B. M. Gallaher, 11
Report of the Joint Committee on Air Conditioning and Refrigerating Equipment—J. W. Anderson, 121
Role of the Weather Correction in Load Forecasting—Atherton Thomas and J. J. Drummond, 306

  Five New Promotional Campaigns Developed on Theme, "Be Modern . . . Live Electrically," 426
  Future of Room Air-Conditioning Sales—A Vast Business—John M. Otter, 163
  How It's Being Done—Ashton B. Collins, 250
  Reaching the Industrial Market—James H. Jewell, 158
  Sales Planning for More Abundant Electrical Living—B. L. England, 35
  Today and Tomorrow in Our Industry—B. L. England, 151
Sales Planning for More Abundant Electrical Living—B. L. England, 35
Salesmanship Can Improve Public Relations — Charles E. Oakes, 255
Second Area Development Institute Scheduled at University of Michigan—J. Frank Gaskill, 119
Setting Our Sights—Walter H. Sammis, 363
Seven Electric Companies Sponsor World's Largest Network Analyzer, 78
Skills of EEI Accounting and Commercial Committees Marshaled to Advance Industry, 407
Snakes, Lions, Enliven Meter Reader's Day—Harmon Kallman, 462
Socialism
  Socialist Super-Power Program—C. B. Boulet, 5
Some Shocking Episodes in TVA History, 354
Speakers Bureau Formed, 118
Speakers' Slide Kit for Rural Service Men, 92
State Resolution Congratulates PG and E, 115
Stimulating and Varied Program Planned for EEI-AGA Accounting Conference, 79
Successful Applications of Resuscitation Recognized by EEI Awards, 349
Survey of Heat Pump Installations, 210
System Planning and Maintenance
  Engineering for Economy—F. L. Lawton, 49
  Iowa Plan—N. Bernard Gussett, 267
  PP&L Develops Unique Method of Feeding Emergency Crews in Isolated Areas, 80
  Planning for Expanding Power Requirements in Upstate New York—H. L. Harrington, 203
  Planning Picture for Kansas City Power & Light Co.—C. Myron Lytle and J. S. Palmer, 83
  Putting Philadelphia Electric's Territory on the Map, 17
  Seven Electric Companies Sponsor World's Largest Network Analyzer, 78

T

Taxation
  Are Tax Dollars to Develop Hells Canyon?—Robert F. Ball, 71
  Progress Through Personal Initiative—Grover C. Neff, 39
  Remarks of Walter H. Sammis in Accepting Presidency of EEI, 224

Setting Our Sights—Walter H. Sammis, 363
Wanted: Fair Play—Walter H. Sammis, 403
Your Financial Community—Edward T. McCormick, 237
Ten Additional Companies Earn Safety Merit Awards, 28
Ten More Safety Merit Awards Presented to Companies for Accident-Free Operation, 430
Text of Mr. Sammis' Letter to AEC, 293
Today and Tomorrow in Our Industry—B. L. England, 151
Training Tax Assistants—William H. Harrison, Jr., 196
Transmission and Distribution
Economics and Developments to Expect in Transporting Energy—C. N. Phillips, 271
Planning Picture for Kansas City Power & Light Co.—C. Myron Lytle and J. S. Palmer, 83
Transmission and Distribution Committee
Chicago Meeting, 213
Minneapolis Meeting, 435
Washington Meeting, 122
21st Annual EEI Convention Program to Present View of Attainments, Appraisal of Future, 131

U

Utility Executive Objectives and Duties—W. E. Wood, 337
Utility Industry in Cartoons—A. Bryan Marvin, 45
Utility Viewpoint on Uniform Inspection—M. E. Skinner, 423

W

Wanted: Fair Play—Walter H. Sammis, 403
Water Resources Development
Are Tax Dollars to Develop Hells Canyon?—Robert F. Ball, 71
Today and Tomorrow in Our Industry—B. L. England, 151
We Should Change the Atomic Energy Act—Walker L. Cisler, 452
Weather
Increased Interest in Weather Modification—T. J. Henderson, 433
Role of the Weather Correction in Load Forecasting—Atherton Thomas and J. J. Drummond, 306
What Are the Correct Measures of Stores Inventory?—H. E. Hodgson, 193
What Is the Correct Approach in Dealing with Escalation and Progress Payments?—George H. Cole, 189
What the Security Analyst Wants to Know About Your Company—Marvin Chandler, 240
Why Should an Electric Company Promote Adequate Wiring?—Carl T. Bremicker, 113
Wilson (Charles E.) Named Jubilee Committee Head, 426
Wiring
Utility Viewpoint on Uniform Inspection—M. E. Skinner, 423
Why Should an Electric Company Promote Adequate Wiring?—Carl T. Bremicker, 113

Y

Your Financial Community—Edward T. McCormick, 237

Authors' Index

A

Anderson, J. W.
Report of the Joint Committee on Air Conditioning and Refrigerating Equipment, 121

B

Ball, Robert F.
Are Tax Dollars to Develop Hells Canyon?, 71
